Child's plan (CSSW)

Please state the circumstances under which the family should be referred back to CSSW

A large, empty rectangular box with a thin black border, intended for the user to provide details on the circumstances under which a family should be referred back to CSSW.

Resilient families outcome measures - Progress

Section MUST be completed ONLY if case is to be closed

Is case to be closed?

Yes

No

This tool records family progress in relation to the issues identified at Assessment regarding 10 headline outcomes

- **Please select the appropriate evidence type (“How has it improved?”) for each baseline outcome measure identified for the child/children**
- You can also add additional INDICATORS and corresponding progress (“How has it improved?”)
- **Click on any of the headline outcomes to view and add outcome measures if not currently expanded.**
- Click on the question mark next to each issue for guidance around evidence to consider when selecting evidence types
- Please ensure any progress evidence types selected are evidenced within the CIN record

Are there concerns about children of statutory school age attending school regularly? Does the child have persistent absence (less than 90%)? Are any children missing education? Are any of the children excluded from school? Are any children in alternative education due to behaviour difficulties? Are there concerns as to the education of any under 5s in the household? Are there any 2 year olds who are not taking up their free entitlement offer? Is there any significant developmental delay in under 5s in the family?[link to gov website](#)
