To whom it may concern,

Exemption from the 'Rule of Six' Government Guidance

I write as the Executive Director of Supporting People and Deputy Chief Executive to notify you that the bearer of this letter is undertaking authorised local authority work supporting vulnerable people, which is exempted from the Government Guidance that limits the number of people able to meet to 6 or less. They have been advised by me to present this letter to you, alongside their branded Council ID Badge, as proof of their status and of the exemption for the work they are carrying out.

Please can you allow this employee to continue to meet with this group to enable them to carry out local authority authorised work.

I hope this is sufficient information for you to make these arrangements but you can also contact 020 7974 6655 or email hrservices@camden.gov.uk if you wish to receive additional confirmation of the contents of this letter. Please be mindful that this email address could quickly get inundated with requests.

The Council and I thank you for your assistance in supporting our local efforts to ensure the critical services our communities rely are maintained during the COVID-19 crisis.

Yours faithfully
