

Camden Home Improvement Service

Metropolitan
Thames Valley

Handyperson work

Our Handyperson Service covers the whole of Camden, helping local people aged over 65, or anyone who has a disability or mental health condition.

The kind of things the team can help with are:

- Minor home repairs and maintenance
- Security measures
- Home safety checks
- Minor plumbing jobs

The team can also make sure someone's home is safe for them to return to when they are discharged from hospital.

Some services are chargeable. Please contact us on either **0203 884 0468** or **CamdenHIS@mtvh.co.uk**

Camden Home Improvement Service

Metropolitan
Thames Valley

Adaptation/Grants Service

Our Home Improvement Service covers the whole of Camden, helping local Disabled people:

- Adapt their home so they can stay living independently
- To apply for a Disabled Facilities Grant to pay for the works
- Our surveyor will draw up a design based on your Occupational Therapist recommendations. We will then find the right builder to complete the works and manage the project for you until the works are finished
- Anyone with a disability could be eligible for this service, whether they live in a housing association, private landlord property or are an owner occupier. We will be able to advise you further on the process as you will need to be assessed by an Occupational Therapist.

Camden council tenants will need to contact Adult Social Care on **020 7974 4000**, and select option 1.

For information and for details about how to refer please contact us on either **0203 884 0468** or **CamdenHIS@mtvh.co.uk**
