

## Boundaries

What boundaries shall we construct?  
What are the limits to confidentiality?  
How can we make this a safe space?  
How do the personal & professional interact in supervision?  
How do different contexts impact on our SR\*?

## Hopes & Fears

If this was to be a helpful space for us, what would it look and feel like?  
What anxieties or concerns do we have in terms of our supervision?

## Beliefs & Attitudes

What were our previous experiences of supervision?  
How have these previous experiences shaped expectations for this supervision?

## Relational Reflexivity

How will we know if either of us are unhappy with the SR\*?  
How do we tell each other about our SR\*?  
How do we know that this supervision is meeting our respective needs?  
How do we feedback about the SR\* – to ourselves & to others?

## Ethics & Values

How do we make sense of power difference in supervision?  
How do we ensure that we are ethically minded?  
How do we hold in mind the GRRRAACCESS?

## Learning & Outcomes

How do we think learning happens in supervision?  
How do we think learning stalls in supervision?  
How do we relate what happens in supervision to how we work with our clients outside supervision?  
What model(s) should we make use of?

## Process

Who takes the lead?  
Who brings the agenda?  
What records do we keep?  
How often should we meet?  
How long is each session?

What are the PURPOSE(S) OF SUPERVISION?

## Feelings & Experiences

What do we bring to supervision?  
How do we talk about feelings in supervision?  
How do we make sense of feelings in supervision?

## Difficulties

What do we do if either of us feel that there is a difficulty in the relationship?  
Who can we talk to?  
What happens if the difficulty persists?
